

September 1, 2016

In light of recent announcements regarding Hanjin Shipping's bankruptcy, and based on our ongoing discussions with their management team, please be advised of the following:

Effective September 1, 2016, all use of HRCPII chassis for Hanjin business will be considered merchant haulage, billable to the respective motor carrier under their applicable contract with HRCPII.

Further, any HRCPII chassis out-gated under Hanjin carrier haulage terms prior to September 1, 2016, and not returned by September 7, 2016, will be converted to merchant haulage, billable to the respective motor carrier from September 8, 2016, forward.

Chassis billing questions should be directed to Arthur Ellermann, General Manager, at 757-440-5195, or aellermann@hrp2.org.
