

Transpacific Trade Update

Prevention and control ZIKA virus in China

12th August 2016

Dear Valued Customer,

Further to announcement No. 2016-20, the General Administration of Quality Supervision, Inspection and Quarantine of the People's Republic of China (AQSIQ), has updated the affected countries/areas. Including the United States.

Affected countries/areas of origin:

America(43): Anguilla, Antigua and Barbuda, Argentina, Aruba, Barbados, Belize, Bolivia, Netherlands, Brazil, Bonaire Columbia, Costa Rica, Cuba, Curacao, Dominic, Republic of Dominica, Ecuador, Salvatore, Grenada, French Guiana, Guadeloupe, Guatemala, Guyana, Haiti, Honduras, Jamaica, Mexico, Nicaragua, Martinique Island, Panama, Paraguay, Peru, Puerto Rico, St. Barthelemy Santa Lucia, St Martins Island, the Netherlands, Saint Martin, Saint Vincent and the Grenadines, Trinidad, Suriname and Tobago, Turks and Caicos islands, the United States, the U.S. Virgin Islands, Republic of Venezuela Bolivar

Pacific (8): American Samoa, Fiji, the Marshall Islands, the Federated States of Micronesia, Samoa, Tonga, Philippines, Vietnam

S.E.Asia: (2): Indonesia, Thailand

Africa (2) : Cape Verde, Guinea Bissau

In line with the announcement, we would like to remind all customers/shippers/consignees to take responsibility and ensure all containers/cargoes inbound into China are subjected to perform anti-mosquito treatment at origin in order to avoid delay at destination. Please note that carrier is not involved in this procedure and all related cost to said treatment shall be borne by the customer.

Please take note that above list of origins is based on latest AQSIQ's announcement and is subjected to further discretion of Chinese authorities. Please always refer to the latest official website announcement for the latest update.

AQSIQ official site: <http://www.aqsiq.gov.cn/ztlm/2016/zkdbfk/> (In Chinese only).

Sincerely,

NYK Line North America
