Revised Note 1.D.

Reassignment/Transfer of Equipment to New Booking (“Street Turn”)

When a Motor Carrier has possession of ZIM equipment and desires to employ that equipment in a second booking (i.e., deliver cargoes on a Full Import booking and then use that same equipment for loading cargoes on a Full Export booking), the Motor Carrier must first obtain authorization / approval from ZIM or its designated agent. In tendering such a request, the Motor Carrier must provide ZIM with relevant Export booking number. ZIM’s approval of such reassignment (“street turn”) shall serve as the termination of Import Per Diem calculation and start Export Per Diem calculation as per Paragraph 7, Section 1A. Approval of the reassignment/transfer of equipment shall incur a use charge as delineated in the Table of Charges, above.
