Subject: ZIM Advisory : Street Turn Charge

January 4, 2019

US Equipment Interchange Update: Street Turn Charge

Dear ZIM Customer,

Effective **February 4, 2019**, ZIM will be implementing the following charge for street turn requests to process the reassignment/transfer of equipment:

Reassignment/Transfer of Equipment - Street Turn

When a Motor Carrier has possession of ZIM equipment and desires to employ that equipment in a second booking (i.e., deliver cargoes on a full import booking and then use that same equipment for loading cargoes on a full export booking), the Motor Carrier must first obtain authorization/approval from ZIM or its designated agent. In tendering such a request, the Motor Carrier must provide ZIM with relevant export booking number. ZIM's approval of such reassignment (street turn) shall serve as the termination of Import Per Diem calculation and start Export Per Diem calculation as per the relevant tariff. Approval of the reassignment/transfer of equipment shall incur a use **charge of \$40 per container** to the account of the Motor Carrier.

We appreciate your business and thank you for choosing ZIM. Please feel free to contact your respective Sales representative or Customer Service for any questions
