AgTC: The Shutdown and Speaker Primer

Receiving many questions about shutdowns and what's happening, or not happening, in the House of Representatives.

1. **What exactly is a “shutdown”?**
2. **Does the Federal govt actually shutdown?**
3. **Will there be another ‘shutdown’?**
4. **Are Federal employees paid?**
5. **Why is the Speaker such a big deal?**
6. **If the Speaker is so powerful, how was Speaker McCarthy removed?**
7. **Will a new Speaker be elected, how, when?**
8. **Can the House conduct business in the meantime?**
